

BAR AND RESTAURANT EQUIPMENTS PART # C035

Product Name

Jar Rinser With Star Top (Star Head Rinser)

Rinses beverage pitchers and blender cups in just 3-5 seconds with cold water.

Runs on water pressure.

The weight of the pitcher sends high pressure streams of water to rinse away residue.

Key Features

- Powerful spray forcefully removes stubborn residue, especially from hard-to-reach corners.
- Only sprays when pressure is applied for ease of use and water conservation.
- NSF® certified for commercial use.
- Quickly rinse blender cups, pitchers, and shakers between orders
- Reduced water usage over traditional rinsing
- Small head model for use with narrow blender cups and cocktail shakers. Suction cups at base prevent movement during operation
- Easy to use.

Dimensions

Width: 31cm
